SUMMER ANNOUNCEMENTS:

Our next meeting is on **Tuesday, July 14th at 7:30 pm** at the Harbor View Health Care Facility, at the corner of Ogden and Franklin. Some of the topics we shall discuss are:

a) the formation of a neighborhood block watch to patrol our community on Palisade and Ogden Avenues (We are arranging for the Police Dept to come to a future meeting to help in this endeavor.) and

b) the organization of a neighborhood Clean Up Day in association with the Clean Communities program of the Jersey City Incinerator Authority.

Harbor View Health Care Facility is having **BEACH WEEK**, four days of fun and activities for its residents during the week of July 27th. There is going to be a **Carnival** on July 30th in which all neighbors and friends are invited. Volunteers are needed to help with the activities during this week. If interested, please call Diane DeBurgess of Harbor View at 963-1800.

RNA's flea market committee is meeting over the summer to organize our annual event for Saturday, September 12th. All people interested in volunteering or just to reserve a space for their table, please call Ernie Quintero, committee chair at 798-6623.

SUMMER REMINDERS:

RECYCLING is good for the environment and your pocketbook. Put out your recyclables for Wednesday morning pick-up. Remember paper products should be seperate but the glass, plastic and metal objects can be grouped together.

GRAFFITI is against the law. It is a blight against our neighorhood and city. It decreases property values and creates a negative image for the community. If anyone has any information about this crime, please call the police at 547-5477 or the Incinerator Authority at 432-4645, ext. 27.

CLEAN your sidewalk and street of all garbage and litter. This is your neighborhood - your home. Be proud of it by taking the time to sweep it up and pick up after your children.

LOUD MUSIC is a problem in Jersey City. Whether it comes from the loud boom boxes that kids carry around, or the ear-splitting speakers from passing cars or the insensitve neighbor playing their annoying music from an open window - it is inconsiderate to the rest of the neighborhood. It is also illegal. If someone likes loud music, please close the windows of your house or car or better yet wear your own headphones.
